

North Lochs - to Canisp, Suilven and Cul Mor

On the East side of the Isle of Lewis and to the South of Stornoway North Lochs includes the townships of Luerbost, Crossbost and Ranish. All these townships are clustered along the picturesque Loch Luerbost. In the picture above can be seen Crossbost with the Minch and the mountains of the mainland beyond.

To the South lies the area called Pairc in South Lochs and beyond that the mountains of the Isle of Harris. The picture below shows the view from Luerbost across to South Lochs
